# ELEMENTS OF SUCCESSFUL VET – GOOD PRACTICE OF THE SWISS MODEL

## 7-day training programme comprising:

- 3-day presence course before the International VPET congress of Winterthur 2018
- 3-day distance learning
- 1-day individual transfer work

The training programme gives an in-depth insight into the Swiss VET system and its constituting elements. The guided visits are combined with theoretical aspects of successful VET. Thus this course offers a perfect learning opportunity for all those who want to get to know the elements of success of the Swiss VET system in depth.
